

### **Certification for Small Boat Usage**

GCRA Club singles and doubles can only be used (bowed in the case of doubles) by Members that have been certified as Experienced Scullers. Steps for receiving this certification are dependent on having completed LTR 1 and 2 and the Small Boat Class at GCRA or having prior rowing experience. The process to become a Certified Sculler is managed by the GCRA Safety Committee. The information below provides guidance on what to expect as a certification process at GCRA.

Members with more than 12 months experience rowing single shells with a previous club.

- Review GCRA Rules & Regulations
- Please contact a GCRA Officer to request an orientation to GCRA Club small boats equipment handling and to schedule a Certified Sculler Test.

Members who have completed LTR 1 and 2 at GCRA

- Complete/graduate from Small Boat Safety Class offered during the Summer
- Complete 10 Buddy Rows
- Take Certified Sculler Test when offered or contact a GCRA Officer to schedule once requirements are complete
